

## HomeStyle® Renovation Mortgage

The HomeStyle Renovation mortgage provides a convenient and flexible way for borrowers considering home improvements to make repairs and renovations with a first mortgage, rather than a second mortgage, home equity line of credit, or other more costly methods of financing. As announced in *Selling Guide* Announcement [SEL-2017-02](#), we've simplified and expanded eligibility for HomeStyle Renovation to help lenders better meet the needs of today's borrowers. Enhancements include:

- The maximum allowable loan-to-value (LTV), CLTV, and HCTLV ratios have been increased to 97% for 1-unit, principal residence, fixed-rate, purchase and limited cash-out refinance (LCOR) transactions. (Note: For LTVs > 95%, on purchase transactions, the borrower must be a first-time home buyer unless combined with HomeReady; for LCOR transactions, the loan must be owned or securitized by Fannie Mae.) (Available in Desktop Underwriter® (DU®) on March 17.)
- The limit on eligible renovation funds has been increased to 75% of the lesser of the purchase price plus renovation costs, or the “as completed” appraised value for purchase transactions; and 75% of the “as completed” appraised value for refinance transactions. (Available in DU on March 17.)
- Manufactured housing (MH) is eligible with HomeStyle Renovation, with the eligible renovation funds capped at the lesser of \$50,000 or 50% of the “as completed” appraised value. MH follows standard MH LTV ratio requirements. (Available in DU on March 17.)
- HomeStyle Renovation loans may be eligible for representations and warranties relief once the renovation has been completed and recourse removed.

*NOTE: Lender approval is required to deliver HomeStyle Renovation loans to Fannie Mae prior to completion of the work. Lenders must have two years of direct experience originating and servicing renovation mortgages within the past five years, and meet certain financial capacity and operational requirements. See *Selling Guide* [B5-3.2-01: HomeStyle Renovation Mortgage: Lender Eligibility](#) for details, and contact your Fannie Mae customer delivery team for assistance.*
